

Freestanding Bathtubs

BT308

CLASSICAL INSPIRATION WITH A CONTEMPORARY TOUCH

Challenge your soak with the luxury you deserve with this unique design pulling from classical styles. With its inspiration rooted in ancient architecture, the tub rests on a pedestal designed to maximize its striking posture. The age-old motifs blend together with modernity in this sleek piece that becomes the focal point in whichever room it is placed.

MODEL BT308

SIZE 66" X 30 3/4" X 23 2/3"

CAPACITY (gallon) 64

WEIGHT (lbs) 105

MSRP \$2,445

Ideal for a luxurious soak, this tub will quickly become your heart of calm and relaxation. The center drain integrates unobtrusively into the tub, harmonizing the functionality of the tub with its aesthetic beauty. Wash away your troubles in this ultimate spa experience.

A COMFORTING PRESENCE WITH SERENITY AND CHARM

With its sloping back and gentle curves, this minimalist tub invites you to come and relax. The sleek design allows the tub to blend beautifully into any style bathroom while simultaneously standing as an exquisite focal point. The tub comes in two sizes, giving you the opportunity to choose the perfect size for your bathroom.

MODELS BT309 | BT307

MSRP \$2,067 | \$1,978

This bathtub is offered in two sizes.

See page 20

A white gloss finishes the tub's acrylic construction, sealing the tub with stain- and scratch-resistance. The overflow drain prevents accidental floods during extended soaks, while the center drain provides convenience in placement and installation. Choose this tub for years of delightful soaking, and revel in its endurance, beauty, and comfort.

Weight (lbs): 80

A STATELY FORM WITH STRAIGHTFORWARD ACCENTS

With its minimal design and style and a detail accent to bring out its beauty, this tub showcases the finer elements of design. The natural shapes and simple lines impart a feeling of warmth and luxury. The tub's delicately sculpted form accentuates its lightweight quality without compromising the tub's strong presence in a room.
