

# MEDICINE CABINETS & MIRRORS

---

## Style that builds value, wherever it's placed.

Fine Fixtures delivers trend-forward, durable designs that elevate every project. Chosen by developers and investors alike, our fixtures bring lasting value, timeless style, and the kind of build quality that keeps properties competitive. US-based and constantly evolving, we make sourcing effortless so your projects stay on time, on spec, and on point.

### LASTING QUALITY

Our products are crafted in state of the art facilities, using precision German machinery and Swiss engineered components. Every item passes through four separate inspections, no shortcuts, no excuses.

### FAST SHIPPING

With four strategically located warehouses, Brooklyn, NY / Upstate NY / North Carolina and California, we move products with purpose. Smart distribution, faster fulfillment, no drama.

### HIGH-END STYLES

By fostering an artistic, forward looking design culture, we stay one step ahead of trends, not chasing them. The result is refined, high-class craftsmanship that's attainable, built on materials and quality meant to last.

### SPARES FOR REPAIRS

For repairs and maintenance, we keep the essentials on hand. A deep inventory is always available through our easy to navigate PARTS SITE, because fixing it shouldn't be harder than installing it.

## CLASSIC CABINETS FEATURES

- Adjustable Shelves
- 1/4" Tempered glass

- Soft Close Hinges
- 165° Open angle

The clean mirrored door and adjustable glass shelves provide useful storage without looking bulky. Available in multiple sizes and door options to fit different bathroom layouts.

### • RIGHT OR LEFT DOOR INSTALLATION:

Position the door of the Cabinet to open on either side: The door comes preinstalled, and our #AMA Cabinet Collection is designed for flexibility, allowing you to easily position the door on either side by simply rotating the cabinet prior to installation.

## #AMA

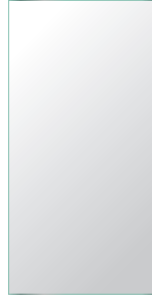

Clean Design. Built for Daily Use. This medicine cabinet is strong, durable, and made for everyday use. It is built from aluminum, which resists moisture and corrosion, making it a good choice for bathrooms.

# FIXTURES THAT FOLLOW THE FUTURE.

Bringing the luxury of attainable high class craftsmanship and trusted lasting quality.

## VANITIES

Our bathroom vanities blend modern elegance with functionality, enhancing any space with timeless appeal. Crafted from quality materials in various finishes and styles, they offer both sleek and classic designs. Built with care and durability, each piece elevates your bathroom's look and performance.

## TOILETS

Our toilets combine precision engineering with sleek design for superior performance and comfort. Featuring advanced water-saving technology, they deliver powerful, efficient flushing while conserving water. Built from durable, high-quality materials, they ensure long-lasting use and easy maintenance.

## BATHTUBS

Our bathtubs combine luxury, comfort, and durability with sleek, modern design. Crafted from premium materials for long-lasting use and easy care, they offer ergonomic shapes and smooth finishes for a relaxing, spa-like experience in any bathroom.

## SHOWER DOORS

Our shower and tub doors blend modern style with everyday functionality. Made from high-quality glass and durable hardware, they offer elegance, strength, and easy maintenance. Available in frameless, semi-frameless, or framed options, each design enhances space and adds refined sophistication to any bathroom.

## SHOWER SYSTEMS

We offer a versatile range of shower systems designed in both round and square profiles, available in a refined selection of finishes including matte black, polished chrome, satin brass, satin nickel, and rose gold, allowing seamless coordination with a wide variety of bathroom styles and design preferences.

## SHOWER BASES

We offer a comprehensive selection of shower bases designed to accommodate different layouts and functional needs, including shower bases with integrated seating, single-threshold and double-threshold configurations, as well as neo-angle shower bases, providing flexibility for both standard and custom shower installations.

## KITCHEN SINKS

We offer a complete range of kitchen sinks designed to suit different materials and installation preferences, including durable fireclay and stainless steel options. Our selection covers undermount, apron-front, and top-mount styles, allowing flexibility across residential and commercial kitchen designs while maintaining consistent quality and performance.

## PEDESTAL SINKS

Our pedestal sinks bring timeless elegance and space-saving functionality to any bathroom. With sleek, minimalistic designs, they create an open, airy feel while maintaining the durability and high-quality craftsmanship you expect. Available in a variety of styles, from classic to contemporary, our pedestal sinks seamlessly integrate into any bathroom decor.

## BATHROOM SINKS

Our bathroom sinks blend modern design with lasting durability. Made from premium materials, they resist stains and are easy to maintain. Available in a range of styles—from sleek vessels to classic undermounts—they offer both beauty and functionality for any bathroom.

## FAUCETS

We offer a full range of kitchen and bathroom faucets in a variety of designs to suit different spaces and styles, available in finishes including matte black, polished chrome, satin brass, satin nickel, and rose gold, ensuring cohesive coordination across the entire kitchen and bath.

## MEDICINE CABINETS

Our mirror medicine cabinets combine style and function, available with or without LED lighting. LED models offer a soft, ambient glow, while non-LED versions keep a clean, minimalist look. Both feature high-quality mirrors, adjustable shelves, and durable construction, adding modern elegance and practical storage to any bathroom.

## ACCESSORIES

We offer a complete selection of bathroom accessories, including caddies, baskets, towel bars, robe hooks, and tissue roll holders, available in matte black, polished chrome, satin brass, satin nickel, and rose gold to ensure a consistent and coordinated finish throughout the space.
